

IWGDF Guidelines – Disclosure of interest form

Name: Pam Chen

Affiliation: University of Tasmania; Joondalup Health Campus, Ramsay Healthcare Australia

Position: Clinical Lead Podiatrist

IWGDF Working Group: Wound Healing

For the following items, please disclose any interest from the past five years that might be perceived by others as potentially influencing your judgment in any topic in the IWGDF Guideline(s) that you contribute to.

- Ancillary positions: President, Advanced Practicing Podiatrists – High Risk Foot Group (Australia)

Chair, Lower Extremity Amputation Prevention (LEAP) conference (Australia) – 2022 and 2018

- Personal financial interests:

Do you have personal financial interests such as stocks and shares? If yes, please declare: none

Do you have personally received finances, funding for an account that you benefit from financially or professionally, for honorary fees or consultancy? If yes, please declare: none

- Personal relations (this includes personal relations or relations via close family that might be perceived by others as potentially influencing your judgment): none

- Externally funded research (this includes research funding awarded to you as project member, or to your department, for funding that might be perceived by others as potentially influencing your judgment). If yes, name the title/topic of the grant.

I have received grant funding from the Tasmanian Community Fund and the Australian Podiatry Education and Research Fund for my PhD project. The project is focused on index foot ulceration and unrelated to wound healing

- Other disclosures:

I have received a sponsored delegate position to the 2021 Virtual DFSG symposium (Sept 2021) from Urgo Medical – this is to the value of \$130 AUD (81.50 Euro)

Urgo Medical are corporate partners for the Lower Extremity Amputation Prevention (LEAP) Conference, which I am involved in organising

When you have nothing to disclose, please state here:

Signature and date: 27/3/2023
