Name: Associate Professor Anita Raspovic

Affiliation: La Trobe University

Position: Associate Professor & Course Coordinator, Discipline of Podiatry, School of Allied Health, Human Services and Sport and Senior Research Fellow, School of Psychology and Public Health

IWGDF Working Group: Prevention

For the following items, please disclose any interest from the past five years that might be perceived by others as potentially influencing your judgment in any topic in the IWGDF Guideline(s) that you contribute to.

- Ancillary positions:

I acted as Chair of the Diabetes Foot Australia Prevention Chapter Panel Working Group (2021 to 2022)

I currently work as a teaching and research academic, conducting research on the foot in diabetes as part of this role

I currently work in clinical practice as a Clinical Psychologist (private practice) and as a Research Fellow in a university psychology department – these roles have little to do with diabetes foot but involve clinical work and research involving people with diabetes and related psychosocial issues / interventions (e.g., with eating, disorders, body image etc).

- Personal financial interests:

Nil to declare apart from my paid work positions described above.

- Personal relations (this includes personal relations or relations via close family that might be perceived by others as potentially influencing your judgment):

Nil to disclose.

- Externally funded research (this includes research funding awarded to you as project member, or to your department, for funding that might be perceived by others as potentially influencing your judgment). If yes, name the title/topic of the grant.

Nil to disclose.

- Other disclosures: Nil other to disclose.

When you have nothing to disclose, please state here: Nil else to disclose.
